Sample Prayers

You should seek out help for your initial deliverance session and especially the deeper issues. The reasons are Biblical. First, there is more power in the prayer of agreement and second, the importance of confessing to another person to break the power of darkness in hidden things. But if you have to deal with an immediate issue or are doing some maintenance after your main deliverance session, here are some sample prayers.

Deliverance Prayer

Of course, deliverance should not be approached before the confession of the sin to God and true repentance. But once the sin is washed away by the blood of Jesus, the demons do not have a legal right to stay. You should pray something like this to cast out demons that have entered:

“Lord God, in the name of Jesus Christ of Nazareth who died on the cross and rose from the dead, I bind the strongman called the spirit of divination that came in me through my sins of going to a fortune teller and playing with Ouija board. I break its’ power and pull down its’ stronghold in Jesus name! And right now, I command every spirit of divination, witchcraft, sorcery, that came into me through these doorways to go in the name of Jesus Christ! GO! GO! GO! And Lord Jesus, I ask You to close these doors that I opened and seal them shut” (See Mark 16:17, Matthew 12:28-29, Luke 10:19, II Cor. 10:3-5, & Rev. 3:7).

Breaking Soul Ties

After confession, repentance and casting out the spirits in each sexual area, soul ties must also be broken because two become one in a sexual act. An example of breaking a soul tie would be,

“Father, in the name of Jesus Christ, I break the soul tie created by my fornication with _____ . I sever that spiritual connection by the blood of Jesus and the Sword of the Spirit. I also ask that the part of my being that I gave away would be returned to me now and that I would be made whole in Jesus’ name.

Transference by the Laying on of Hands

Demons can be transferred in church through the laying on of hands of someone in sin or the occult. If you think you may have opened a door by submitting to their prayers and or touch because afterward you saw an increase of demonic activity in your life. For example, if it was a sudden increase of lust issues without you opening any other door, then pray this,

“Lord God, I bind the spirits of lust, perversion, and whoredoms in Jesus’ name that came into me through the laying on of hand of _____ and I command them to go now in the name of Jesus Christ of Nazareth! And any other spirits they may have transferred I bind you all and command all unclean spirits to go that came in through the laying on of hands in the name of Jesus!
